

Ref. : DG CAR/4/3/3/1023/2022

Date: 14-Feb-2022

To: Mr. Abdullah Al-Abri
Head of Quality and Safety
Salam Air (SAOC)
MB Petroleum Building,
Al Azaiba, 18 November Street,
Muscat, Sultanate of Oman

After Compliments,

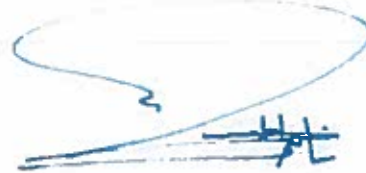

Subject: Exemption Approval for A321-211 Freighter

Reference to your letter ref. OV-CAA-OPS 764 and exemption application dated 7th Feb. 2022 to grant exemption approval from CAR-47.2 Note, therefore:

In accordance with supporting documents which is demonstrated compliance with requirements set out by CAA for exemption. the CAA Approves exemption request for registration of aircraft A321-211 (MSN 1994), moreover, the exemption granted to the name of Salam Air and is not transferable. This exemption is valid till 01 Nov. 2022.

Note: This approval can be superseded or revoked if any non-compliance or issues relating to flight safety are found by the Civil Aviation Authority.

Regards,

Nasser Abdullah Al-Jasasi

Acting Director General of Civil Aviation Regulation
