(1)

Date: 27 July 2026

Classification: Ganaerl

To:

All Organizations Performing Aeronautical Obstacle Assessment Studies

After compliments,

NOTICE OF REPEAL: CAR 138 – Approval of Organizations Performing Aeronautical Obstacle Assessment Studies

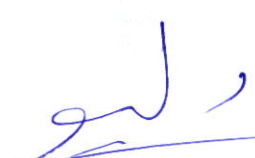

The Civil Aviation Authority hereby notifies all concerned organizations that, pursuant to CAA Letter Ref. CAA/4022/2026 dated 26 July 2026, CAR 138 – Approval of Organizations Performing Aeronautical Obstacle Assessment Studies, Edition 01, effective 25 December 2025, has been repealed with effect from 26 July 2026.

The repeal does not affect the validity of any approvals, certificates, authorizations, decisions or enforcement actions issued or taken under CAR 138, unless otherwise determined by the Civil Aviation Authority.

Organizations shall continue to comply with the applicable Civil Aviation Authority requirements and procedures governing aeronautical obstacle assessment studies.

This Notice shall be published on the Civil Aviation Authority website in accordance with AMC to CAR-11.255(b).

Best Regards,

Rawya Nasser Hamed Al-Adawi
Director General of Civil Aviation Regulation

Copy to:

- H.E.E President of Civil Aviation Authority
- Director of Aviation Safety Regulation Department
- Director of Aerodrome Safety Department
- Coordination & follow up of the office
