

**(1) BEACON INFORMATION**

a. **BEACON Type:**     Automatic Fixed (AF)                       Survival ELT (S)                       Automatic Portable (AP)  
 Automatic Deployable (AD)                       Personnel Locator Beacon (PLB)                       distress tracking ELT (DT)

b. **Status:**                       New                       Owner's change                       Re-Encoded/Info change

c. **Model**..... **Part No:** ..... **Position:** .....

d. **Manufacturer**..... **Serial No:** .....

e. **Cospas-Sarsat Type Approval Certificate number (TAC)**..... **Battery Expiry Date:** .....

f. **Distress Location accuracy:**     GPS Embodiment     Navigation Interface     Radio Detection Finder

g. **Ready Return Link Service (RLS) beacon:**     Yes     No                      **(RLS) encoded :**     Yes     No

**(2) OWNER/OPERATOR INFORMATION**

a. **Name** ..... **ICAO Three-Letter Airline Designator:**.....

b. **Postal address** .....

c. **email**..... **Telephone**.....

d. **transmitting frequency (other than 406MHz):**     121.5 MHz     243 MHz     nil     Other.....

e. **Quality in charge** ..... **Signature:** .....

**(3) AIRCRAFT INFORMATION**

a. **Registration** ..... **MSN** .....

b. **Type:**     Aeroplane     Rotorcraft     Other:(Specify) .....

c. **Aircraft Manufacturer** ..... **Model** .....

d. **Color** ..... **Seating Capacity** .....

e. **Principal Airport (Base)** .....

**(4) EMERGENCY CONTACT (24-hours) (MANDATORY)**

<p>a. <b>Primary Emergency Contact Name</b></p> <p>.....</p> <p><b>Telephone (1)</b> .....</p> <p><input type="checkbox"/>Home    <input type="checkbox"/>Office    <input type="checkbox"/>cell</p> <p><b>Telephone (2)</b> .....</p> <p><input type="checkbox"/>Home    <input type="checkbox"/>Office    <input type="checkbox"/>cell</p>	<p>b. <b>Alternate Emergency Contact Name</b></p> <p>.....</p> <p><b>Telephone (1)</b> .....</p> <p><input type="checkbox"/>Home    <input type="checkbox"/>Office    <input type="checkbox"/>cell</p> <p><b>Telephone (2)</b> .....</p> <p><input type="checkbox"/>Home    <input type="checkbox"/>Office    <input type="checkbox"/>cell</p>
--	--

**(5) BEACON CODING**

**Oman Code (461) based on the International Telecommunication Union (ITU)**

Fill in only one 15 or 23 hexadecimal ID (Unique Identifier Number UIN) for each ELT Serial Number.

15

23\*

\* 23-character HEX ID is for Second Generation Beacons (SGB) ELT (DT)

<b>Programming Vender- If not in house:-</b>	<b>Protocol used:</b>
--	-----------------------

**(6) ATTENTION**

This form shall be filled out whenever item (1)(b) is required and submitted, complete and accurate, to the CAA along with the COSPAS-SARSAT Certificate of 406 MHz beacon registration.
